

REPRESENTING

**ALEX SINK**

CHIEF FINANCIAL OFFICER  
STATE FIRE MARSHAL  
STATE OF FLORIDA

March 30, 2009

Dear Fire Chief:

On behalf of Chief Financial Officer Alex Sink, I would like to inform you that Explore Information Services will be performing a Florida update for the National Fire Station Database starting in April. You may recall from previous efforts, Explore Information Services has been authorized by the Federal Intelligence Community to collect fire station data as part of the Homeland Security Geospatial Infrastructure Database.

This is a legitimate information request and the Division of State Fire Marshal recommends that each Fire Chief provide the information update when requested.

Thank you for taking the time to make this project as beneficial as possible. If you have any questions regarding this information request you can log onto [www.nationalfirestation.com](http://www.nationalfirestation.com).

Sincerely,

C. Jeff Merritt  
Interim Director  
Division of State Fire Marshal
