Dear Fire Chief:

In the next few weeks your Fire Department will receive a Fire Department Survey from Explore Information Services. This letter is to notify you that I have verified Explore Information Service's credentials and have validated that this request is legitimate.

The data collected in this effort is used to support critical infrastructure for Emergency Response, Vulnerability Assessments and other critical tasks. More information regarding the project can be viewed at: <http://www.nationalfirestation.com>.

Thank you for taking the time to assist with this effort. If you have any questions regarding the project or survey, please feel free to contact Kathy Enga at Explore Information Services, 1-800-531-9125, Extension 74266 or via e-mail: Kathy.Enga@exploredata.com

Sincerely,
