Dear Chief;

Explore Information Services;L.L.C. needs your help in developing a National Fire Station Database via survey. The survey information will be entered into the National Geospatial Intelligence Agency. It is my understanding that this information will be used for Homeland Security Planning and Response. It is also my understanding that the information provided will be kept secure and not available to the general public.

Thank you for your assistance in this matter.

Sincerely,

A handwritten signature in cursive script that reads "John Falgione".
