

Division of Fire Safety

MEMORANDUM

TO: Fire Chiefs
FROM: William Kramer, Jr., Chief
DATE: August 18, 2009
SUBJECT: National Fire Station Database

In the near future you will be receiving correspondence from Explore Information Services asking you to review and update information on your fire station(s) as part of a National Fire Station Database.

Explore Information Services has been contracted by the National Geospatial-Intelligence Agency to perform this survey and collect fire station data. It is important that all New Jersey Fire Departments be included in this database. Therefore, we encourage you to provide the requested information.

If you have any questions or concerns, please contact me directly at 609-633-6106.
