

OFFICE OF THE STATE FIRE COMMISSIONER

Dear Fire Chief:

The enclosed survey from Explore Information Services, L.L.C (Explore) is a legitimate request and I ask that you please take the time to complete the survey and return it. Explore has been contracted by the National Geo-Spatial Intelligence Agency (NGA) to develop and maintain a National Fire Station Data Base as part of the Department of Homeland Security (DHS) Geospatial Infrastructure Contract.

The Office of State Fire Commissioner (OSFC) and the Governor's Office of Administration, Geospatial Technologies Office (GTO) fully support this project and have been assured that the collected information will be made available by Explore to state and local emergency management and response agencies who may need it in the future through the GTO or OSFC.

If you have questions regarding the project or survey please contact Michele Cook at Explore Information Service by calling 1-800-531-9125 extension 74267 or by email at Michele.cook@exploredata.com.

Thank you for your assistance in completing this important survey in a timely fashion.

Regards,

Edward Mann
State Fire Commissioner
